Languages

English

Education

Secondary (high) school graduation certificate

Experience

2 years to less than 3 years

Work setting

Various locations, on site

Tasks

Prepare daily, weekly, and project-related reports to track work progress and production. Supervise painting crews and make sure projects are completed properly, safely, and on schedule.

Organize and coordinate daily work activities, worker schedules, and project timelines.

Help recruit and hire painting workers and assist with staffing needs as projects require.

Train new workers and arrange additional training when needed to improve skills and safe work practices.

Estimate the amount of labour, paint, materials, and equipment required for each project and monitor costs.

Review blueprints, drawings, and project specifications to understand the scope of painting

and finishing work.

Order and coordinate paint, tools, equipment, and other supplies required to complete projects.

Work with customers to help them choose suitable colours, paints, finishes, and wall coverings based on their preferences and project requirements.

Supervision

5-10 people
